Expanding the Movement: Power in Unity for Tobacco Control 2009 Priority Populations Conference

May 28-29, 2009 • Bloomington, MN

Unite with Minnesota tobacco control advocates at Expanding the Movement: Power in Unity for Tobacco Control. This conference is hosted by five major sponsors including ClearWay Minnesota, Blue Cross Blue Shield of Minnesota, Minnesota Department of Health, Minnesota Public Health Association and APPEAL (Asian Pacific Partners for Empowerment, Advocacy and Leadership). In addition, there will be numerous additional co-sponsors, community sponsors and other supporters of the conference.

This conference will highlight critical tobacco control issues in Minnesota's priority populations. It will set the tone for a powerful cross population movement towards parity in tobacco control in Minnesota!

The goal of Expanding the Movement: Power in Unity for Tobacco Control is to highlight critical tobacco control issues for the African, African American, American Indian, Asian American and Pacific Islander, Chicano & Latino, Lesbian, Gay, Bisexual & Transgender communities and other priority populations.

Visit us online at www.mnprioritypopulations.org or call us at 651-999-5356 for more information!

Expect **dynamic** and **motivating** speakers to share real-world tobacco control organizing experience in priority population communities.

Get **re-energized** and change the dynamics of how you advocate for your communities!

This conference will be an opportunity to:

- Meet nationally recognized tobacco control leaders
- Network and exchange ideas that will contribute to the advancement of priority populations in Minnesota
- Learn about strategies and best practices for tobacco control organizing in priority populations
